

Campus Map

To W. Market Street

Directions to Niswonger Children's Hospital (see detailed directions and map to JCMC on back)

From I-26 East into Johnson City, take Exit 19 (State of Franklin Road, TN 381). Exit right and continue on State of Franklin Road through 6 traffic lights. At the 7th traffic light, Johnson City Medical Center (JCMC) will be on your left. Turn left into the hospital, and the visitors' parking area will be on your left. Niswonger Children's Hospital is just beyond the main entrance to JCMC on the right. If you are inside JCMC, the entrance to Niswonger Children's Hospital is located across from the Center for Women's Health.

Children's Emergency Department

The Children's Emergency Department is the first right after entering the JCMC campus, and is located adjacent to the Johnson City Medical Center Emergency Department.

Directions to Johnson City Medical Center

From the North: From I-26 East, take Exit 19 (State of Franklin Road, TN 381). Exit right onto State of Franklin Road. Proceed approximately 3 miles (crossing Market Street, US 11E). Johnson City Medical Center will be on your left.

From the South: From I-26 West, take Exit 24 (University Parkway, Elizabethton; US 321). At the stop light, turn left onto US 321 South. This will be University Parkway. Proceed to State of Franklin Road at the 5th stop light (following US 321) and turn left. After approximately 1 mile, Johnson City Medical Center will be on your right.

From the East: From US 321 South, proceed into Johnson City. This will become University Parkway just past I-26. Proceed under the interstate to State of Franklin Road (the 6th stop light) (following US 321) and turn left. After approximately 1 mile, Johnson City Medical Center will be on your right.

From the West: US 321 North and US 11E North will become Market Street in Johnson City. Move to the right hand lane and turn right at State of Franklin Road (TN 381 and US 321 North). Johnson City Medical Center will be on your left.

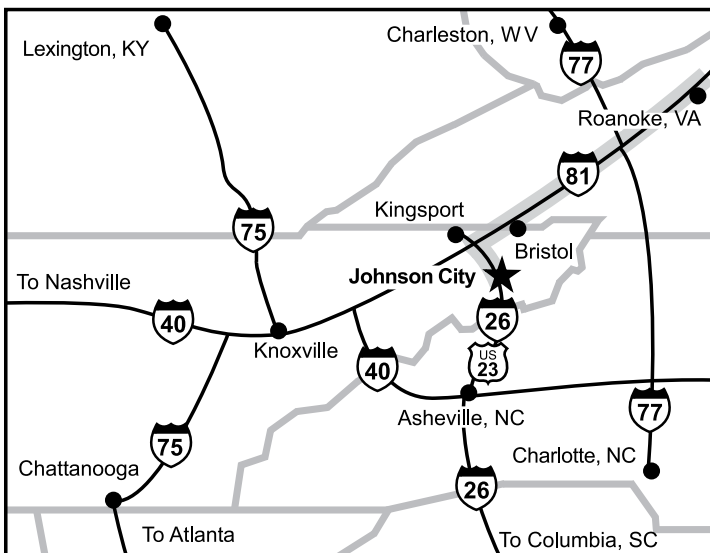

Directions to Johnson City Specialty Hospital

From the North: From I-26 East, take Exit 22 (Unaka Ave., Watauga Ave.). At the stop light, turn right onto Unaka Ave. (one way). Move to the left hand lane. Johnson City Specialty Hospital will be on your left.

From the South: From I-26 West, take Exit 22 (Watauga Ave., Unaka Ave.) At the stop light (Watauga Ave., one way), proceed straight through to the next light (Unaka Ave., one way). Turn left onto Unaka Ave., proceeding under the interstate and through the next light. Stay in the left hand lane. Johnson City Specialty Hospital will be on your left.

From the East: From US 321 South, take I-26 West. Proceed to Exit 22 (Watauga Ave., Unaka Ave.) Follow directions "From the South."

From the West: US 321 North and US 11E North will become Market Street in Johnson City. Move to the right hand lane. Follow Market Street to TN route 400 (Stop light just past Hillcrest Ave.). Move into right turn lane and turn onto TN 400 (this will be West Main St. - one way). Move into left hand lane and proceed to the 2nd stop light. Turn left onto Watauga Avenue

(still TN 400; one way). Proceed approximately 3/4 mile to Johnson City Specialty Hospital (on your left). To access the main parking lot and the front of the hospital, proceed straight and pass under I-26. Turn left at Oak Street. Proceed to the next stop light and turn left onto Unaka Ave. (one way), proceeding under the interstate and through the next light. Stay in the left hand lane (not the left turn lane). The hospital will be on your left.

Directions to North Side Hospital and James H. & Cecile C. Quillen Rehabilitation Hospital

From the North: From I-26 East, take Exit 20 (North Roan Street). Carefully merge left to the left turn lane and turn left at the light in front of Walgreens. Turn left again at the next light onto Princeton Road. North Side Hospital will be on your left. To proceed to Quillen Hospital, move to the left turn lane and turn left onto Wesley Street. The hospital will be on your left.

From the South: From I-26 West, take Exit 20 (North Roan Street). Exit right onto North Roan Street, remaining in the right turn lane, and turn right at the stop light onto Springbrook Drive. The next street will be Wesley Street. Turn right. Follow Wesley Street for approximately 3/4 mile. The hospital will be on your right. To proceed to North Side Hospital, continue on Wesley to Princeton Road. Turn right onto Princeton Road. North Side Hospital will be on your right.

From the East: From US 321 South, take I-26 West. Proceed to Exit 20 (North Roan Street). Follow directions "From the South."

From the West: US 321 North and US 11E North will become Market Street in Johnson City. Turn left onto TN 381 (State of Franklin Road). Follow N. State of Franklin Road for approximately one mile and turn right onto Sunset Drive. Follow Sunset Drive to North Roan Street. At the stoplight, this street will become Princeton Road. Continue straight. North Side Hospital will be on your left. To proceed to Quillen, move to the left turn lane and turn left onto Wesley Street. The hospital will be on your left.
